

Lighting the way for safety

----- *Wujin Auto Bulbs*

With near-daylight illumination you're assured the best possible vision, even in the darkest conditions. Halogen Automotive Bulbs work just as well with the latest model luxury vehicles as they do with the earlier model sub-compact cars. Have the security of knowing that no matter what you drive, you will always be able to see the road clearly.

Product Features:

- Halogen bulbs produce white, crisp lighting.
- Diverse specs available: ex. from 6V, 1.5W to 24V, 10W from 6V, 3CP to 12V, 15CP, and more.
- All bulbs fit any standard fixture of domestic and import vehicles.
- **All bulbs meet UL standards of safety.**

Special notes on manufacturers:

Our manufacturers are all ISO 9000 certified and have received a high credibility in lighting industry. Our hi-tech facilities are able to efficiently meet the demands of mass production without compromising the quality of our products. Give yourself the option of having the quality you demand for the price you need.
