up to **200** Songs from a single CDR

The MP3 CD Player

Don't settle for MP3 players that only allow 8 -16 of your favorite songs. Break through the music barrier with a **Digital MP3 CD Player** which gives you up to 200 songs for continuous music without having to download anything.

Have all of your favorite songs ready at your fingertips, anywhere you go. Get the capacity and convenience you demand for the low price you expect.

Accessories included:

power adaptor, rechargeable battery, ear phones, carrier case, and audio cable.

Model# MAX-2001
